### Global Partners MBA Financial Aid Resources-Class of 2009

Financial Aid is made available on an academic calendar basis. Global Partners MBA students are eligible for a maximum of approximately \$90,000.00 in loans for the duration of the program. The GPMBA program runs from Fall semester 2008 through Fall semester 2009. The maximum in **Federal Direct Student Loans** you can receive is \$41,000.00 for all four semesters. The maximum in either Ford Federal Direct Grad PLUS (Grad PLUS) and/or private loans is approximately \$49,000.00. The US Department of Education has set up the **Ford Federal Direct Grad PLUS Loan** to provide for additional funds not covered by other types of aid such as the Federal Direct Student Loans. Since these loans are federally funded as well, they offer attractive interest rates. In addition to the FASFA form, you will need to fill out a Grad PLUS form as well (1-page). You can secure **private loans**, if desired.

The disbursement dates and amounts vary but plan on receiving your funds as follows:  
The amounts shown are the maximum number of dollars you will receive per semester.
