Geoffrey L. "Geoff" Schuler has been named chief operating officer for Boeing Charleston. Previously was on-site executive for Boeing Commercial Airplanes in North Charleston at Vought Charleston, and before that he was Boeing's director of mission assurance and program operations for its ground-based midcourse defense program. He has nearly 20 years of aerospace industry experience. He has a bachelor's degree in industrial engineering from West Virginia University and a master's degree in business administration from Georgia State University.
