

MAX Award Entry

The MAX Award (Marketing Award for Excellence) honors outstanding new products, new services or new ways to market that have been developed or launched by Georgia-based companies in 2009. Your entry will be judged on the following criteria:

1. Innovation

- Describe your innovation and how it is cutting edge.
- How was your strategy and positioning a departure from the norm?
- How has your entry pioneered a new market or restructured an existing one?

2. Marketing

- How is it supported by great marketing?
- Describe any innovative marketing techniques used.

3. Success

- What evidence is there that your innovation has staying power and is or will be a financial success (please quantify)?
- How will it enhance the consumer's life, improve the business person's efficiency, or work for the general good of society?

In your entry, briefly address each of the three judging criteria for your new product, new service or marketing innovation. A typical entry is 2 to 3 pages long. Any printed pieces about your entry would be helpful to our judges. The deadline to receive entries is December 10, 2009. There is an entry fee of \$100. Late entries are accepted until noon December 17, 2009 with an entry fee of \$150. All of the proceeds from the entry fees will be used to support an Outstanding Minority Marketing Student Scholarship fund. Checks should be made payable to the Georgia State University Foundation or you may pay by credit card online at www.maxawards.com. (Note: the University is closed December 21 – January 4).
